

STATEMENT

BATTERY REGULATION – EU 2023/1542

Scope

This declaration applies to HUMMEL AG product lines: **cable glands**, **circular connectors** and **building technology** products. It refers to all products in these lines, unless product-specific documentation states otherwise. The scope covers all products developed, manufactured, or placed on the market by HUMMEL AG within the mentioned product lines.

Principle

Based on current knowledge, HUMMEL AG products do not contain batteries placed on the Union market for the first time within the meaning of Regulation (EU) 2023/1542. Accordingly, they are not subject to the obligations of the EU Battery Regulation or the German Battery Act (BattG). Compliance with all applicable legal requirements is ensured.

Due Diligence

This declaration is based on supplier information, internal evaluations, and reasonable control measures. HUMMEL AG maintains regular contact with suppliers to ensure ongoing monitoring of product components and regulatory developments. This declaration does not replace statutory requirements or future regulatory updates.

Validity

This declaration is valid at the time of issuance. Changes in legal requirements, product design, materials, or supply chains may necessitate an update.

Liability

This declaration has been prepared to the best of our knowledge and based on information currently available from our suppliers. Liability for completeness or accuracy of this information is excluded to the extent permitted by law. It does not constitute a warranty or guarantee.
