

STATEMENT

CALIFORNIA PROPOSITION 65

Scope

This declaration applies to HUMMEL AG product lines: **cable glands**, **circular connectors** and **building technology** products. It refers to all products in these lines, unless product-specific documentation states otherwise. Products are intended exclusively for the B2B market and may be placed on the U.S. and/or California market either directly or as components of customer products.

Principle

HUMMEL AG complies with the applicable requirements of the California Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986), including amendments and updates valid at the time of issuance. Based on current knowledge, certain products may contain substances listed under Proposition 65. Proposition 65 does not prohibit the sale or use of such products but requires appropriate warnings in case of relevant exposure. HUMMEL AG does not label affected products with Proposition 65 warnings.

Customer Obligations

Customers placing HUMMEL AG products, either as standalone products or as components, on the U.S. and/or California market may be subject to obligations under California Proposition 65, including compliance with new or revised regulatory requirements.

Customers are responsible for:

- // Monitoring applicable Proposition 65 requirements
- // Assessing their products for Proposition 65 relevance
- // Providing the required Proposition 65 warnings to downstream customers or end users, where applicable

Component-specific Proposition 65 warning information, if applicable, is provided on page 2.

Due Diligence

This declaration is based on supplier information, internal material evaluations, and appropriate control measures. It does not replace legally required documentation or customer-specific compliance assessments.

Validity

This declaration is valid at the time of issuance. Changes in legal requirements, materials, or supply chains may require an update.

Liability

This declaration has been prepared to the best of our knowledge. Liability for the completeness or accuracy of supplier-provided information is excluded to the extent permitted by law. It does not constitute a warranty.

HUMMEL AG

Head of TEC

COMPONENT-SPECIFIC WARNINGS

Metal parts made of Aluminum, Brass, Steel or Stainless steel

WARNING: This product can expose you to chemicals including lead and/or nickel and/or other chemicals, which are known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov

Black, green and red Sealing inserts and O-Rings

WARNING: This product can expose you to chemicals, including carbon black and/or Diisononyl phthalate (DINP) or others, which are known to the State of California to cause cancer. For more information go to: www.p65warnings.ca.gov

Components made of Thermoplastic Materials

WARNING: This product can expose you to chemicals, including Antimony trioxide, 1,3-Butadiene or others, which are known to the State of California to cause cancer or birth defects. For more information go to www.p65warnings.ca.gov

Note/Recommendation

If the products are used in any way that is not intended or modified by treatments which create airborne dust or fumes, this could result in exposure to chemicals and could pose a hazard to you.

To reduce your risk of exposure, we recommend using approved safety equipment. Wash hands after use.

Products declaration should be forwarded to the end user and included on finished consumer products.
