

# STATEMENT

## DRINKING WATER DIRECTIVE – EU 2020/2184

### Scope

This declaration applies to HUMMEL AG product lines: **cable glands**, **circular connectors** and **drinking water** products. It refers to all products in these lines, unless product-specific documentation states otherwise. The scope covers all products developed, manufactured, or placed on the market by HUMMEL AG within the mentioned product lines.

### Principle

HUMMEL AG complies with the requirements of the Drinking Water Directive (EU) 2020/2184, including the extension of Article 11 and all amendments valid at the time of issuance. Based on current knowledge, the materials used are valid until 2028.

### Future Requirements

EU certifications and product markings will be implemented as follows:

- // 31.12.2026: Entry into force of the material list
- // 2026–2032: Establishment of notified bodies, start of certifications
- // 31.12.2032: Mandatory EU conformity certificates and product markings

### Marking Information

- // Text and logo markings see page 2.

HUMMEL AG is currently reviewing all materials to ensure suitable products are available by the effective date. Further information on positive lists and delegated regulations is available at: "Understanding the Drinking Water Directive – ECHA".

### Due Diligence

This declaration is based on supplier information, internal evaluations, and positive lists. HUMMEL AG maintains regular contact with suppliers to ensure ongoing compliance. It does not replace inspections or certifications by notified bodies.

### Validity

This declaration is valid at the time of issuance. Changes in legal requirements, materials, or supply chains may require an update.

### Liability

This declaration has been prepared to the best of our knowledge and belief. Liability for completeness or accuracy of supplier-provided information is excluded to the extent permitted by law. It does not constitute a warranty or guarantee.
