

STATEMENT

PBT CHEMICALS – TSCA SECTION 6(h)

Scope

This declaration applies to the product lines **Cable Glands**, **Circular Connectors** and **Building Technology** Products of HUMMEL AG. It covers all products in these lines unless product-specific documentation states otherwise. The scope includes all products developed, manufactured, or placed on the market by HUMMEL AG within the mentioned product lines.

Principle

HUMMEL AG is in close contact with its suppliers regarding regulatory developments. The U.S. Environmental Protection Agency (EPA) has recently undertaken regulatory actions to limit or prohibit the manufacture, import, processing, and/or distribution of the following Persistent, Bioaccumulative, and Toxic (PBT) chemicals under TSCA Section 6(h):

- // Decabromodiphenyl ether (DecaBDE)
- // Phenol, isopropylated phosphate (3:1) (PIP (3:1))
- // 2,4,6-Tris(tert-butyl) phenol (2,4,6-TTBP)
- // Hexachlorobutadiene (HCBd)
- // Pentachlorothiophenol (PCTP)

Compliance with all applicable legal requirements is ensured.

Relevant Substances

Based on the information received from our suppliers and to the best of our knowledge, articles from our Cable Glands and Circular Connectors ranges are either free of the PBT chemicals listed above or contain them only within the specified regulatory limits.

Due Diligence

This declaration is based on supplier information, internal evaluations, and reasonable control measures. HUMMEL AG maintains regular contact with suppliers to monitor relevant substances in products. This declaration does not constitute a warranty or guarantee under any legal provisions.

Validity

This declaration is valid at the time of issuance. Changes in materials, supply chains, or legal requirements may necessitate an update.

Liability

This declaration has been prepared to the best of our knowledge and based on information currently available from our suppliers. Liability for completeness or accuracy of this information is excluded to the extent permitted by law.
