

STATEMENT

PFAS – PER- AND POLYFLUOROALKYL SUBSTANCES

Scope

This declaration applies to the product lines **cable glands**, **circular connectors** and **building technology** products of HUMMEL AG. It covers all products in these lines unless product-specific documentation states otherwise. The scope includes all products developed, manufactured, or placed on the market by HUMMEL AG within the mentioned product lines.

Principle

HUMMEL AG monitors the use of PFAS in its products in accordance with current international and EU regulations, including:

- // Stockholm Convention (PFOS, PFOA, PFHxS)
- // EU POPs Regulation (EC) 2019/1021 (PFOS, PFOA, PFHxS)
- // REACH Regulation (EC) 1907/2006 (PFAS on the SVHC list, e.g., PFOA, PFHxS, C9–C14 PFCAs)

HUMMEL AG ensures that only substances actually present in the products are listed and declared. Compliance with all applicable legal requirements is ensured.

Relevant Substances

Based on the current state of knowledge, we inform you:

- // In our products with housings, sealing, or coated components made of fluoropolymers (PVDF, FPM/FKM, PTFE), PFAS may be present but are currently neither restricted nor subject to declaration.
- // In insulating bodies made of PBT containing up to 5% PTFE, PFAS may be present, but remain below the currently applicable limits.

Due Diligence

This declaration is based on supplier information, internal evaluations, and reasonable control measures. HUMMEL AG maintains regular contact with suppliers to verify the PFAS-free status of materials and products. This declaration does not replace statutory technical documentation or analyses.

Validity

This declaration is valid at the time of issuance. Changes in materials, supply chains, or legal requirements may necessitate an update.

Liability

This declaration has been prepared to the best of our knowledge and based on information currently available from our suppliers. Liability for completeness or accuracy of this information is excluded to the extent permitted by law.
