

# STATEMENT

## POP-REGULATION – EU 2019/1021

### Scope

This declaration applies to the product lines **cable glands**, **circular connectors** and **building technology** products of HUMMEL AG, intended exclusively for the B2B market. It covers all products in these lines unless product-specific documentation states otherwise. The scope includes all products developed, manufactured, or placed on the market by HUMMEL AG within the mentioned product lines.

### Principle

Based on current knowledge, HUMMEL AG products do not intentionally contain persistent organic pollutants (POPs) as defined in Regulation (EU) 2019/1021, Annex I and III. Compliance with all applicable legal requirements is ensured. Trace amounts of POPs due to raw materials, the manufacturing process, or accidental contamination cannot be completely excluded.

### Note

Trace amounts of POPs due to raw materials, the manufacturing process, or accidental contamination cannot be completely excluded.

### Due Diligence

This declaration is based on supplier information, internal evaluations, and reasonable control measures. HUMMEL AG maintains regular communication with suppliers to ensure ongoing monitoring of relevant substances. This declaration does not replace customer testing, analyses, or statutory documentation.

### Validity

This declaration applies at the time of issuance. Changes in materials, supply chains, or legal requirements may require an update.

### Liability

This declaration has been prepared to the best of our knowledge and based on information currently available from our suppliers. Liability for completeness or accuracy of this information is excluded to the extent permitted by law. It does not constitute a warranty.
