

STATEMENT

REACH-REGULATION (EC) NO. 1907/2006

Scope

This declaration applies to the product lines **cable glands, circular connectors** and **building technology products** of HUMMEL AG. It covers all products in these lines unless product-specific documentation states otherwise. The scope includes all products developed, manufactured, or placed on the market by HUMMEL AG within the mentioned product lines.

Principle

The current list of Substances of Very High Concern (SVHC) currently includes 253 substances (as of 04-Feb-2026) and is published on the website of the European Chemicals Agency ([ECHA](https://echa.europa.eu)). HUMMEL AG complies with the requirements of Regulation (EC) No. 1907/2006 (REACH) in its currently applicable version. If products contain substances on the candidate list according to Article 59 REACH in a concentration greater than 0.1% by weight (w/w), HUMMEL AG provides the information required under Article 33 REACH to ensure their safe use.

Known SVHCs

Based on the information currently available to us, the following substances may be contained in individual products within the above-mentioned product lines:

- // **Products made of brass and aluminum:**
Lead (CAS No. 7439-92-1) > 0.1 %
- // **Sealing inserts and O-rings made of NBR/EPDM:**
OMB (2,2'-Methylenbis(4-methyl-6-tert-butylphenol), CAS No. 119-47-1) > 0.1 %
- // **Insulating components made of PBT:**
1,2-(2H-Benzotriazol-2-yl) -4-(1,1,3,3-tetramethylbutyl) phenol (CAS No. 3147-75-9) > 0.1 %
- // **Crimping tools with digital display, batteries/coin cells:**
EGDME (1,2-dimethoxyethane; CAS No. 110-71-4) > 0.1 %

Based on current knowledge, the products do not contain other substances above applicable limits. No intentional use of banned SVHCs takes place.

Due Diligence

This declaration is based on supplier information, internal evaluations, and reasonable control measures. HUMMEL AG maintains regular communication with suppliers to ensure ongoing compliance with REACH requirements. This declaration does not replace legally required documentation, safety data sheets, or registration obligations.

Validity

This declaration applies to the above-mentioned product lines at the time of issuance. Changes in materials, supply chains, or legal requirements may affect the validity of this declaration and may result in an update.

Liability

This declaration has been prepared to the best of our knowledge and belief. Any liability for the completeness or accuracy of supplier-provided information is excluded to the extent permitted by law.
