

# STATEMENT

## ROHS – DIRECTIVE 2011/65/EU

### Scope

This declaration applies to the product lines **cable glands, circular connectors, and heating, drinking water, and building technology** products of HUMMEL AG. It covers all products in these lines unless product-specific documentation states otherwise. The scope includes all products developed, manufactured, or placed on the market by HUMMEL AG within the mentioned product lines.

### Principle

HUMMEL AG ensures, in close cooperation with its suppliers, that the requirements of Directive 2011/65/EU (RoHS), including the delegated Directive (EU) 2015/863, are met. Our products are regularly reviewed regarding the use of restricted substances. Compliance with all applicable legal requirements is ensured.

### Declarable Substances

Based on the current state of knowledge, we inform you:

- // HUMMEL AG products made of brass and aluminum may contain lead (CAS No. 7439-92-1) with a concentration > 0.1 %. Its use is in accordance with the exemptions in Annex III of Directive 2011/65/EU, specifically 6b, 6b-I, 6b-II, and 6c.
- // The maximum permissible limits for cadmium (0.01 %) and hexavalent chromium (0.1 %) are not exceeded.
- // PBB and PBDE are not present in our products.
- // The plasticizers DEHP, BBP, DBP, and DIBP are not present in our products.

### Due Diligence

This declaration is based on supplier information, material data, and internal product assessments. HUMMEL AG maintains regular contact with its suppliers and requests compliant material declarations to ensure ongoing adherence to RoHS requirements. This declaration does not replace statutory technical documentation or analyses.

### Validity

This declaration is valid at the time of issuance. It is reviewed as needed and updated in the event of changes in legal requirements, materials, technical specifications, or supply chains.

### Liability

This declaration has been prepared to the best of our knowledge and based on information available from our suppliers at the time of preparation. Liability for completeness or accuracy of the underlying information is excluded to the extent permitted by law.
