STATEMENT

Regulation (EU) 2024/590 - Ozone-Depleting Substances

Scope

This declaration applies to HUMMEL AG product lines: cable glands, circular connectors and building technology products. It refers to all products in these lines, unless product-specific documentation states otherwise. The scope covers all products developed, manufactured, or placed on the market by HUMMEL AG within the mentioned product lines.

Principle

HUMMEL AG is committed to complying with the applicable legal requirements of Regulation (EU) 2024/590 - substances that deplete the ozone layer.

Relevant Substances

Based on current knowledge and available supplier information, the products covered by this declaration do not contain any substances regulated or prohibited under Regulation (EU) 2024/590.

Due Diligence

This declaration is based on:

- // Information and declarations from our suppliers
- // Internal material and product evaluations
- // Appropriate and reasonable testing and control measures

This declaration does not replace legally required technical documentation, safety data sheets, or registration obligations.

Validity

This declaration applies to the above-mentioned product lines at the time of issuance. Changes in materials, supply chains or legal requirements may affect the validity of this declaration and may result in an update.

Liability

This declaration has been prepared to the best of our knowledge and based on information currently available from our suppliers. Liability for completeness or accuracy of this information is excluded to the extent permitted by law. It does not constitute a warranty or guarantee.
