

## USER FRIENDLY ASSEMBLY

- // Clear and modular structure of all connector series
- // Patented modular strain relief insert and contact insert
- // One step cable assembly and shielding
- // Simple, quick and reliable assembly into the connector housing

Colour coding of spacers for male and female inserts

Cable assembly and shielding is possible in a single operation

Strain relief insert with four fingers, secured in a recess, prevents cable rotation

Flexible EMC-O-ring guarantees reliable EMC-protection for light and heavy braided shields.
