Last Updated

The appearance of a company's name or product in this database does not in itself assure that products identified have been manufactured under UL's Follow-Up Service. Only those products bearing the UL mark be considered to be Certified and covered under UL's Follow-Up Service. Always look for the Mark on the product.

UL permits the reproduction of the material contained in the Online Certification Directory subject to conditions: 1. The Guide Information, Assemblies, Constructions, Designs, Systems, and/or Certifications must be presented in their entirety and in a non-misleading manner, without any manipulation of the data 2. The statement "Reprinted from the Online Certifications Directory with permission from UL" must appear on the extracted material. In addition, the reprinted material must include a copyright notice in the footer.
